

Description:

Address: 1980 Mountain Dale Road

Available for move in early to mid October 2018. Newly renovated home located in the Bethel area. Beautiful mountain surroundings with creek running behind the home. Spacious three bedroom, two bathroom home with two separate living areas. Front and side decks. Ample closet space in each bedroom. Master bathroom has standing shower and separate tub. New flooring and windows. Large kitchen with lots of cabinet storage space. Kitchen opens into the second living space with a wood fireplace. The fireplace will serve as a secondary source of heat. The primary is electric forced air. A/C also included. Well water, W/D hookups. No pets please. Not a student friendly rental.

The property has been recently renovated. Pictures do not show countertops, but those will be installed prior to move-in. Showings are now available.
